Tailored terms

For larger orders and regular purchases, we provide a personalised quotation. Ask us about terms tailored to your requirements.

All prices include 2.6% VAT. Delivery charged separately. Availability and total price are confirmed before order acceptance.

Good to know

Delivery by arrangement

For Zurich and surrounding areas, we plan deliveries by route. We confirm the delivery location, cost and date before accepting your order.

Clear prices before you order

Catalogue prices are per carton and include 2.6% VAT. We confirm delivery costs and payment terms before accepting your order. Our confirmed quotation takes precedence.

Costs per serving cover the product only. Delivery, preparation and accompaniments are not included.

Price changes for future orders

If procurement costs, transport costs or import charges change, we may adjust prices for future orders. Orders already confirmed remain unaffected.

Product information

Information on ingredients, allergens, storage and preparation, as well as the remaining shelf life of the available batch, is available on request before ordering. The information on the original packaging takes precedence.

Thank you

We look forward to your order.

The product name, number of cartons and delivery address are all we need. We confirm availability, delivery date and total costs before accepting your order.
